Indicators of effective practice…

Example:

ID07 A Leadership Team consisting of the principal, teachers who lead the Instructional Teams, and other key professional staff meets regularly (twice a month or more for an hour each meeting).

ID10 The Leadership Team regularly looks at school performance data and aggregated classroom observation data and uses that data to make decisions about school improvement and professional development needs.

ID11 Teachers are organized into grade-level, grade-level cluster, or subject-area Instructional Teams.

ID13 Instructional Teams meet for blocks of time (4 to 6 hour blocks, once a month; whole days before and after the school year) sufficient to develop and refine units of instruction and review student learning data.

Celebrate Our Success!

This report shows indicators which have been determined by the Leadership Team to be fully implemented, either in the team's initial assessment or after meeting the objective for the indicator. These indicators are the school's norms, what is done routinely and with high quality.

Wise Ways – research briefs that provide an explanation, relevant research, and citations of resources for each indicator of effective practice.
