

# How to Stay Connected and Reinforce Best Practice

Now may be the perfect time for your Leadership Team to dig deep into Personalized Learning Indicators ... including Digital and Blended Learning practices!

*\*Teams can find Personalized Learning Indicators and related research in their Indicator set or by following this link:*

**PERSONALIZED LEARNING INDICATORS**

*How can we harness our current motivation and purpose to plan for the future?*

*Get your team excited with this great read for Educational Teachers and Leaders!*

**Indistar: People Power, Implementation Science, and Performance Management**

Nationwide, educators and families are rapidly transitioning from traditional classroom learning settings to learning from home through online resources.

*Be sure to check out the Comprehensive Center Network database for free ideas and resources!*

**Continue to work with your Leadership Team on improvement efforts!**

- ✓ Set up Meeting Agenda
- ✓ Invite Team Members to join a virtual meeting
- ✓ Share your screen so everyone can follow along

*\*Don't forget to remind your Leadership Team members to pre-read the Wise Ways research so meeting time can be spent on good conversation and creating action steps!*
