Review and respond to coaching comments

Hello. Thank you for submitting your NCStar Comprehensive Report (SIP) in NCStar. My name is Julie Garber and I am with District and Regional Support, a unit of the North Carolina Department of Public Instruction. One of our team members will provide feedback on the Comprehensive Plan for your school by the end of February. Our goal is to share an external perspective as you implement and refine your school improvement plan. Best wishes on your continuous improvement journey.
